CATARRH CURE.

"Hyomei Costs You Nothing If It Fails,"
Say Rickert & Wells.

Among the many medicines upon the market that claim to cure catarrh none but Hyomei has enough faith in its own merit to offer to refund the money if it does not cure.

This scientific remedy for catarrh kills the microbes and germs of the disease and from its introduction has been sold under a positive guarantee to return the money to all dissatisfied customers.

Hyomei is the only method of treatment that sends by direct inhalation to the most remote parts of the air passages a balsamic air that destroys all catarrhal germs in the breathing organs, enriches and purifies the blood with additional ozone and makes permanent and complete cures of catarrh.

The complete outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime and additional bottles of Hyomei can be obtained for 50 cents.

Breathe Hyomei for a few minutes four times a day and your catarrh will grow better from the first day's use and will be completely cured within a short time.

Do not try to cure catarrh with ordinary stomach medicines. Breathe the healing Hyomei, which goes to every part of the air passages and respiratory organs, killing the catarrh germs and preventing their growth.

It is the only treatment for catarrh where you can get your money back from a local dealer, Rickert & Wells, in case it does not help.

TRIAL TO BEGIN TODAY.

Plummer Bacon to Answer to Charge of Murder.

Colebrook, N. H., Nov. 21.—The trial of Plummer Bacon, charged with murdering John Young at Dalton, April 24, was started today. Sixty-eight talesmen have been summoned, and from this panel a jury will be drawn.

County Solicitor J. H. Wright and Attorney General Eastman will conduct the government's case, while the interests of the prisoner will be attended to by Thomas L. Marble and Judge George F. Rich.

The crime of which Bacon was indicted was committed at a farmhouse where Young boarded in an isolated part of Dalton. At the preliminary hearing evidence was introduced to show that Young and Bacon quarreled on the afternoon of April 24, and that Bacon finally left the farm with a companion, both returning in the evening armed with rifles. It is alleged that Bacon entered the house and killed Young where he sat. Bacon fled after the shooting, but was captured the following day at St. Johnsbury, Vt.

TWO TRAINMEN KILLED.

Atlantic Express Wrecked at Falconer, N. Y., Last Night.

Jamestown, N. Y., Nov. 21.—The east-bound Atlantic express on the Erie railroad was wrecked at Falconer, three miles east of here, a few minutes before 6 o'clock last night. The passengers escaped with a severe shaking up. Two trainmen, Charles Kreiger and William S. See, were killed.

The train was about two hours late when it left Jamestown, and was being drawn by two engines in charge of Engineers Kreiger and See. At Falconer both engines and four coaches left the track. The engines tipped over, burying the engineers. The cause of the derailment is being investigated.
